Experience

- 20217 - 2022

Ludwig ahrweiler transport.

PACKET DELIVERY, Weißenthurm

At this time I've started to learn programming self learned. After a few months with udemy there I've become 4 certificate
- 01.23 - Present

GTM Geotechnik Mittelrhein gmbh

developer, Weißenthurm

Working a lot with ninox and that for with ninox script. On ninox I've made a lot of forms for the company that makes easier the college's work and work process.

Making my own autohotkey code for the company where I'm working right now for the ground layer programme. That can automatically copy from a pdf file all the information and paste in the code that for making a process what need 10-30 minutes for like 5-10 minutes.

Working a small amount of time with server and server connection to.
